

## NORTH OF SPAIN RALLY 2022

After six successful years in the southwest of Asturias, **the MC Indianos has decided to change the scenery this year 2022 and has prepared a totally new experience for you.**

On Tuesday 27<sup>th</sup> of September we will leave from Colombres travelling from one end of the province to the other until we reach **Navia**, a beautiful coastal town next to the Navia's river where we will enjoy a new hotel (*Palace and Hotel Arias 3\*\*\**) where all the participants will meet. A traditional palace transformed into a comfortable place to stay and with a large covered garage for our motorcycles. Navia has everything within easy reach. You can enjoy its traditional cider houses where you can taste typical Asturian dishes such as the famous cachopos or the rich cabrales cheese, accompanied by the best Asturian cider.

The **daily routes** will start from this village and will be **around 124 miles per day**; we will take advantage of the new location to explore **Galicia** (the neighbour province), something we have never done before, where we will taste its rich and varied culinary offer (Galician octopus, seafood...) and we will visit spectacular places such as ***The Cathedrals Beach***, declared a natural monument and which attracts thousands of tourists every year.

**During 6 days the riders will cover more than 932 miles** combining the most beautiful coastal villages of the north of Spain with demanding high mountain passes. From stunning beaches to historical places and even a very peculiar museum will complete the pleasure of touring this motorcycling paradise.

As usual, MC Indianos will provide you with on-road assistance, meals on route, roadbooks... All you have to worry about is savouring the day and enjoying your classic motorcycle.

The Rally will finish on Sunday 2<sup>nd</sup> October in Colombres once we have completed the last return journey from Navia. By the way, we will carry your luggage (from hotel to hotel) to make it easier for you to get around.

Finally, we would like to inform you that the registered riders can choose to do the **rally 3 or 6 days**, however, the organization is always open to make modifications to adapt to each rider.

Please take a look at our registration form and don't hesitate to write to us for any further information. It's going to be a fantastic opportunity to explore the north of Spain with your beloved classic motorbike surrounded by like-minded people and the MC Indianos experience.

Are you going to miss it?
