Pass description

PASS BIKER

Allows access with your own motorcycle.

Together with Biker Pass each participant will receive a bracelet for himself and a bracelet for the motorcycle with which he will access the Event. The two bracelets will have the same numbering and must be worn for the entire duration of the Event.

The bracelet with the "human" shape must be worn by the participant, the bracelet with the silhouette of the bike must be fixed to the bike in a visible point.

VISITOR PASS

Allows the participant to access the Event as a passenger or on foot.

The participant who has purchased a 3-day or daily Visitor Pass will receive only one bracelet with a "human" shape and this bracelet must be worn for the entire duration of the Event

Validity

3 days : Friday, Saturday, Sunday

1 day: a day of your choice between Friday, Saturday, Sunday

Please note:

- > Access by motorcycle is allowed to all motorcyclists with a regular Pass, regardless of the type of motorcycle owned
- > Access by motorcycle to the track is allowed only to owners of Ducati motorcycles

D.O.C. Reduced rate tickets

Info

The reduced D.O.C. rate is **only available for members regularly registered** with an official Ducati club in the year 2024.

Each member will receive the **coupon code directly from Ducati**. With the coupon code it will be possible to purchase tickets at the D.O.C. reduced rate directly on the ticketing platform.

The code can only be used once.

To obtain the code, it is necessary to be or to become a member of a Ducati Official Club.

Attention: participants arriving from outside of Europe are entitled to free admission. Extra EU D.O.C. members must select the "Extra EU DOC member ticket" available on the platform. This ticket gives access to D.O.C. dedicated activities.

Tickets Benefits

The 3-day Pass includes:

- › Access to all public areas where the Event will be held;
- › The Welcome kit containing t-shirts, gadgets and information material;
- › The ability to take part without additional costs in all the activities of the Event program such as:
 - › Test ride of Ducati models (subject to availability);
 - › Riding experiences (subject to availability);
 - › A free track session (subject to availability) exclusively for Ducati motorcycle owners;
- › Various contests organized as per the event program;
- › Access to autograph sessions with Ducati riders;
- › Possibility to visit the Ducati factory and Museum at a discounted rate.

The 1-day Pass includes everything included in the daily program of the Event, excluding:

- › Test ride of Ducati models;
- › Riding Experiences;
- › Free track session

Test rides, riding experiences, and the free track sessions must be booked online in advance. Booking will be available to every 3-day pass owners starting from May 2024 (date TBD).

Ducati Riding Experiences

All 3-day Biker Pass holders are entitled to book the following dynamic activities:

- One round on the track with your own motorbike, if in possession of Ducati motorcycles;
- Test ride & riding experiences with bikes made available by Ducati;

Before the start of the Event, the participant will receive an e-mail with the notice of the opening of the platform for online booking of dynamic activities. At that point the participant, by entering the ticket code, will be able to choose the date and time in which to carry out the preferred activity, subject to availability.

The participant in possession of a 3-day Pass can book a maximum of 3 shifts of different types of those proposed.

Participants must be of legal age, hold a valid driving licence entitling him/her to ride the motorbikes with which he/she has requested to take part in the activity, and wear technical clothing appropriate to the type of activity.

The organisation reserves the right to prevent access to the track to participants who wear clothes that are not compliant or in poor conditions.

D.O.C. Biker 3-day pass holders will have the opportunity to book dedicated track sessions, test rides and riding experiences reserved for D.O.C.s.
